Fundraising

Golf Day 2015

After the initial date for the Golf Day was rained out (*remember the deluge on May 1?*), a happy crowd gathered at Nudgee Golf Club on Friday 12 June to raise funds for the children's charity CanTeen – which supports young people living with cancer (www.canteen.org.au).

Between entry fees and raffles on the day, the group managed to raise in excess of \$27,000 – which was a very pleasing outcome. Thanks to all who attended and thanks to Troy for initiating and organising the event. Special thanks also to Pat Taafe (*husband of Toni who works with Troy*) for his tireless efforts in helping Perrier Ryan organise and run a very successful day.
